French Kiss: Anal Sex Massage and a Brutal Dildo Kinky black Lesbian Sweethearts of the Bedroom Lesbian: Introducing the Fucking Dildo Erotic Hypnotic: a non-exclusive erotic fiction anthology of more than 100 erotic stories, with more than 100 stories and nearly 200 poems about sex, love and romance, and more! Lush is a contemporary collection of erotic fiction for women, which celebrates sexual passion and desires, and the erotic fantasies that play through women's minds as they try to live a sensual life in a modern world. All the authors are contributing for the first time, and it is a great opportunity for them to show their talents. A fully revised and improved ebook with a new cover and layout. The book includes many exciting exclusive stories: History of Love - sexual pleasure is the basis of a happy and satisfying sex life, and more than a million of couples have enjoyed it together. In this collection of erotic stories about love, sex and sensual moments of beauty and pleasure, couples share their experience and enjoyment in bed. Exposed Women - the beautiful ladies of Australia have long been known for their sensuality and unashamed sexiness. It is difficult to find the right girls and that is exactly what Exposed Women is about: beautiful women who are not afraid of sharing their wild fantasies and desires. Queens of Pleasure - aristocratic ladies are often considered to be amongst the most sensual and free-spirited people in our modern world. They are also considered to be the most beautiful ladies, and they are also expected to be eager for pleasure and not afraid to share their fantasies. Make love not war - reading erotica is supposed to be a lovely and sensual experience. Here are some great novels to improve your sexual relationship and will add some more spice to your love life. The most exciting erotic anthology by one of the most famous writers in this genre. Enjoy the most sensual love stories about sex and romance, and enjoy erotic inspiration, and erotic advice. The stories in this book cover a wide range of themes, from cheating, seduction and erotic fiction to sexual fantasy, kinky sex and erotica. Each story is unique, sensual and designed to take you to the edge of pleasure and romance. Touch me - erotic stories for women, which explore the beautiful and sensual side of love and pleasure. In this collection of erotic short stories, many of the
