exe application, save the file on your computer then double-click on the "video strip poker supreme ver.1.38 free offline activation code" .exe icon. The installation process is very easy and quick. Our recommended windows with Microsoft Internet Explorer. Description of Video Strip Poker Supreme Video The video Strip Poker Supreme is a game which can offer you a lot of fun in the time. You will have to manage the bank, which is on the bottom. The player starts with a certain amount of money and has to receive cards from the middle. The player can also receive cards from the central bank. After that, you have to manage the cards and must strike so that the highest card in the deck of cards is on top. You must also manage the total of cards, so that the total of the cards of one player is always greater than the total of the cards of the bank. If you manage to fulfill this condition, you can remove the last card. If you fail, then you must get the last card and then throw the player out of the game. At the end of the card, you can take all your money and give the player again a new amount.
